N.B. – To qualify for a mooring from Wicklow Sailing Club, all owners & crew must be fully paid up members (including levies), have a properly sanctioned and paid up harbour berth from the Wicklow Port Company and adequate current insurance.

Mooring Space Allocation Policy: Given the competitive demand for mooring spaces, the allocation of W.S.C. moorings will adhere to a strict 'use it or lose it' policy. This principle is designed to optimize the utilization of available mooring spaces. Therefore, all boat owners are expected to actively participate in sailing regularly.

Failure to comply with this expectation will result in the reassignment of mooring spaces to ensure active and equitable use.

Seaworthiness & Equipment: Boats must be able to prove seaworthiness thorough a recent survey (As per their insurance). All boats must have adequate fenders lines at hand to raft on the quay wall. Club race marks from the boat park are not to be used as fenders.

I / We the undersigned hereby apply to Wicklow Sailing Club for a mooring for the coming season.

In consideration of being allocated a mooring I / We accept that Wicklow Sailing Club, its officers or servants shall not have any liability howsoever arising out of the use of the mooring and I / we accept Wicklow sailing Club has not warranted that it is fit for any purpose that I / We may use it for.

I / We further agree to indemnify Wicklow Sailing Club against all claims howsoever arising by my / our use of the said mooring and I / we shall ensure that I / We shall at all times have insurance covering all risks. In the event of any dispute arising between myself / ourselves and Wicklow Sailing Club in relation to this agreement, the matter will be referred to arbitration.
